

Robert College Residential Life Handbook

2017-2018

www.robcol.k12.tr

Robert College Residential Life Philosophy Statement

The residential life program at Robert College is dedicated to the social, psychological and academic development of its students. To this end, we work on building a community which is based on honesty, mutual respect, responsibility, positive interactions and collaboration, where young men and women are sensitive to and respect the rights, needs and property of others, where an environment conducive for learning is fostered.

Welcome to residential life at Robert College! We are a community of adults and students who live, learn, laugh and work together on this beautiful campus. Each student is a unique part of this community and each student has a contribution to make to strengthen this sense of community. Respecting him/herself as well as respecting everyone else in the community is essential. Doing things communally, such as eating together in the Murat Karamancı Student Center, chatting in the Lounge, playing sport in the gym, helps to build this strong community.

We are fortunate to be members of two boarding schools associations, from America The Association of Boarding Schools (TABS) and from the UK The Boarding Schools Association (BSA), and all adults working within residential life here have had training from one or both of these associations. We regularly get training from an external psychologist experienced in residential life, as a residential team we work collaboratively to support all the students, and we keep up-to-date with research in the field of residential life.

Our main goal is to support the residential students like parents in their school life while they are away from home, to approach their problems positively, and to ensure their safety and security.

We hope this handbook will be useful to you. Any questions which may arise can be addressed to the residential staff, whose contact details you can find in the following pages.

Wishing you a wonderful 2017-18 academic year as part of the residential community!

I. CONTACT INFORMATION

Boys' Residence mobile: (535) 796 94 34 erkekyurdu@robcol.k12.tr

Girls' Residence mobile: (533) 470 10 29 kiziyurdu@robcol.k12.tr

Fax

Boys' Residence: (212) 265 66 08

Girls' Residence: (212) 287 13 95

Please use these above contact details for all communication. Since residential staff work on a rota system, if you send a message to an individual rather than the group contact (above), the message may not reach the person on duty in time.

If you cannot reach the residential team, please call the Robert College switchboard: (212) 359 2 222 or (212) 257 3 430

You can also contact the Dean of Student Affairs (also in charge of the Residential Program) during school hours: Margaret Haliciođlu (270)

Residential Staff

<u>Boys' Residence</u>	<u>Girls' Residence</u>
Residence Head: Murat Özyiđit	Residence Head: Elif Sönmez
Assistant Head: Muhittin Gürbüz	Assistant Head: Melek Avcı
Residential Advisors: Akılay İspirliođlu Ekin Kubilay Tuna İşler Yiđit Koçaş	Residential Advisors: Ebrar Bahçivan Bihter Erbaş Sinem Sertkaya Pelin Sazak

Dean of Student Activities (also in charge of Residential Activities): Joseph Welch (240)

Health Center: (212) 359 2 309, 359 2 248

II. RESIDENTIAL CALENDAR 2017-2018

(Please note that some dates may change.)

Below are the dates when the residences will be closed. Students who need to make travel arrangements should plan accordingly. **No student can be excused from classes because of travel.**

First Semester

Except for the dates below, the residence will be open from 10.00 am on Sunday, September 10, 2017 to 6.00 pm on Friday, January 19, 2018.

- Friday, October 27, 6.00 pm – Monday, November 5, 10.00 am

The residences will remain open on the following holidays (OR days when there is no school but the residence remains open)

- December 25-26, Monday & Tuesday: RC holiday
- Monday, January 1: New Year's Day

Second Semester

Except for the dates below, the residences will be open from 10.00 am on Sunday, February 4, 2018 to 6.00 pm on Friday, June 22, 2018.

- Friday, March 30, 6.00 pm – Sunday, April 8, 10.00 am (spring break)

The residences will remain open on the following holidays and days where there will be no classes:

- Monday, March 5: Professional development day for teachers
- Monday, April 23: National Sovereignty and Children's Holiday
- Tuesday, May 1: Labor Day

Important note for residential Prep students: residential prep students and their parents must be in school by 11:00am at the latest, on Friday, September 8. The parents will leave at 4:30pm. The students will participate in an orientation program all weekend, to adjust to residential life.

Parents will be notified of any change to the above dates in the case that the Ministry of Education changes the academic calendar.

III. ITEMS THAT THE RESIDENTIAL STUDENTS ARE ADVISED TO BRING ALONG

The school supplies a bed, a closet, and a desk for each student. Students are advised to bring the following items. Please mark each item with the name of the student.

- 1 pillow
- 2 pillowcases
- 2 quilt covers (bed size: 90x190cm)
- sheets (1 set for 5-day, 2 sets for 7-day students)
- 1 quilt (winter)
- 1 mattress protector
- 1 blanket (optional)
- 1 bed cover (optional)
- 1 laundry bag
- 2 pajamas or nightgowns
- 1 bathrobe and/or bath towel
- 2 hand towels
- 1 pair of slippers (with noiseless but strong sole to protect from any sharp item, like broken glass, that may drop on the floor)
- 1 pair of bath slippers
- laundry detergent
- personal care products
- a sufficient number of clothes hangers
- hairdryer (optional)
- any medication that the student must take regularly
- 1 water bottle (not made of glass), and a glass/mug

IV. RULES and DAILY LIFE

USE OF THE CAMPUS AREAS

Students may not go to the wooden areas or near the faculty housing units. After dark, the students should keep to the lighted areas near the buildings or stay inside, for security reasons. Students who want to exercise (minimum 2 students together) may ask the residential advisor to open the gym. L9s-12s who don't have to be in the study hall may use the fitness room from 8:00-9:30pm, under the supervision of an adult. No student is allowed outside the residence after 11:00pm.

Students may go out from 9:00-9:45pm on weekdays, and 8:00-11:00pm on weekends, but should remain near the school buildings.

MAINTENANCE OF THE ROOMS

Each student is responsible for the cleanliness and tidiness of his/her room. Shoes must be kept in the shoe cabinets. Any damage to a room or its fittings (including fly screens) must be reported immediately, and the person responsible needs to pay for the repair or replacement. Keeping food or cooking in the room isn't allowed. Students may post pictures on the walls and the closets, using Uhu-tac only. The closets are inspected at intervals. The rooms and the bathrooms are cleaned every day by the school's workers.

CO-ED LOUNGE

The Co-Ed Lounge is situated at the rear of Feyyaz Berker. This lounge also serves as music room. It is available only for residential students at the following times:

Monday-Thursday 3.30pm-9.45pm

Friday 3.30pm-11.00pm

Saturday 10.00am-11.00pm

Sunday 10.00am-9.45pm

VISITORS

- Campus visitors:

Students who expect a guest between 3:30-6:00pm on week days or 10:00am-6:00pm on weekends will give the name of the guest to the RA on duty, who will contact the student's parent for confirmation, then inform the security. This permission is for campus visits only, NOT to let guests in the residences.

- Visitors to the residences:

As the residence is a place where the students live as a community, the individual space of everyone in the residence is of great importance. Therefore parents' or guests' presence inside the residences is not desired. However, by special permission from the Residence Head or the Assistant Residence Head, a very brief visit may be allowed. Once a year an Open House is organized for RC teachers and students.

TELEPHONES and PERSONAL COMPUTERS

1) Mobile phones:

Students who possess a mobile phone or a hand-held device must be careful not to jeopardize their homework and not to disturb others. The phones may **only** be used in silent mode (for texting) from **8:00-9:00pm** and from **10.00-11.00pm**, and must be **switched off from 11:00pm-7:00am**. Infraction of this rule will result in the phone or device being confiscated; if the student continues to ignore the rule, it will become necessary to ban him/her from using the phone for the rest of the semester or the year. Students are totally responsible for their phones.

2) Personal portable computers (laptops):

In order for the students to use their personal computers in the residences and on campus, the students and their parents must sign the agreement, get permission from the school administration, and abide by the rules stated in the agreement. PLEASE READ THE AGREEMENT CAREFULLY! Computer games may not be played after 8:00pm on weekdays, and laptops may not be used after 11:00pm (students who get permission to do their homework on their laptops may use them until 12:00am). Infraction of this rule will result in the laptop or the device being confiscated; if the student continues to ignore the rules, it will become necessary to ban him/her from using it for the rest of the semester or the year. Students are totally responsible for their devices. While making video calls in their room, students must be careful not to disturb others in the room.

EXIT FROM THE CAMPUS

The students may leave the campus every day after classes, but they need to follow the procedures below:

1) Daytime

Students must first mark on the **residence exit form** the time when they want to leave, and where they will go, then **sign out at the Bridge or the gate**. They must also sign in upon return. Each student may only write his/her name, and sign. Inappropriate or false records, entering a record on someone else's behalf, or illegible writing **may result in disciplinary action**.

2) Time limitations

Students must be back in the residences by **8:00pm** at the latest. At the condition of having a written parental permission, 9th grade students may return as late as 9:00pm on weekends and 10th grade students may return by as 10:00pm; 11th and 12th grade students may return by 9:00pm on weekdays and 11:00pm on weekends (weekday = Sunday thru Thursday; weekend = Friday evening and Saturday, and the eve of a day without classes). If a student wants to leave the campus after 7:00pm, on weekdays or on weekends, s/he must go to the Residence Head or the Residential Advisor on duty for authorization.

3) Special circumstances

If a student has to leave the campus in a situation other than stated in the above rules, the student's parent must notify in writing, the day before at the latest, the Dean of Student Affairs or the Residence Head. If the student is unable to return at the expected time, s/he must call the Residence Head or the RA on duty, and make sure that the people in charge are informed. The Residence

Head may call the parent when necessary. Delays without permission may result in disciplinary action.

4) School trips

If a student needs to return late because of a school activity, s/he is responsible for notifying the Residence Head. Residential students who need to leave the school during class hours must follow the same procedures as day students.

5) Occasional overnight stays outside the residence on week nights

Except for extraordinary circumstances, students are expected to stay in the residence on the eve of a school day, and to come to school the following day. In extraordinary circumstances, students may stay off campus at the condition that the parent sends a request form to the Residence Head 24 hours in advance for approval. The permission form is available on the intranet. They must state the reason for the request, the location, the name and the contact details of the responsible adult. The decision to come to school the following day is the responsibility of the student and of the parent. If the student will be absent, the student and the parent are also responsible for informing the residence and for submitting the *devamsızlık* form to the school. Residential students must be in school the following day.

To help the preps adapt to residential life, they are not allowed to stay off campus before the 2nd semester on the eve of a school day.

In addition, parents of 7-day residential students who wish to stay overnight off campus on Saturday and Sunday should send a written request to the Residence Head by Thursday evening.

If the parent comes in person (by 8:00pm) on a weekend to pick up his/her child, the RA on duty may also give permission after the parent signs a written request. In any case, the student must report to the RA on duty before leaving.

Students who will spend the night off campus because of a school activity must also follow the same procedures.

6) If a student is unable to return to the residence on time, the parent must call the Residence Head as soon as possible.

7) Final exam period

Final exams are given over two weeks at the end of each semester, for 9th, 10th, 11th and 12th grade students. The last day of the second week is the exam review day. During these two weeks, students who don't have an exam in the day may leave school from 8:00am until the return time.

Parents who want their child to stay off campus during these two weeks must send a fax to the residence **one day before at the latest**.

The residences are kept open all day during the finals, so that the students can study in their rooms.

During the finals, check-in time is 7:45-8:00pm (L11 and L12 students who have a special permission may return by 9:00pm).

The prep students continue with the normal class schedule during the finals.

5-day residential students must leave the residence at the completion of their final exams.

Students who will not return to the residence on the eve of the exam review day must notify by sending a fax. 7-day residential students may remain in the residence until the end of the semester.

STAYING ON CAMPUS ON WEEKENDS AND DURING HOLIDAYS

All 5-day residential students must leave the campus by 6:00pm on Friday. They must also leave the campus on the eve of a vacation day merged with the weekend, and return by 8:00pm the day before school reopens.

All residential students must leave by 6:00pm on the eve of a vacation.

If a 5-day residential student will spend the weekend at a different place than his/her home, the parent must send a fax to inform the residence.

In the case that a 5-day residential student wishes to stay in the residence on Friday or Saturday night or on a vacation day because of a school activity, the parent must send a written request (letter or fax) to the Residence Head. If permission is given, the student is allowed to stay for **one night**. If the student will attend more than one activity, the Residence Head may give permission to stay the entire weekend.

In addition, in exceptional circumstances, 5-day residential students may spend the weekend in the residence up to 6 times in the year (except for the final exam period).

PERMISSION FORMS

The Residence Heads may not sign the forms which need parental permission (e.g. elective choice, textbook orders...). Parents can download these forms from the school's web site, sign, and fax them to the school.

The Residence Heads give permission for day trips. The students are responsible for informing their parents about the trip details.

CODE OF CONDUCT

RC residential students are expected at all times to display an appropriate behavior and take the right decisions both on and off campus. The expectations in the Parent-Student Handbook apply to the residential life as well.

ACTIONS THAT MAY HAVE DISCIPLINARY CONSEQUENCES AND LEAD TO EXPULSION FROM THE RESIDENCE:

1. Betting and any kind of gambling;
2. Smoking or possession of tobacco products/lighter;
3. Drinking or keeping alcoholic beverages; returning to the residence under the influence of alcohol; [*The school believes it is a primordial duty to protect the mental and physical health of its students, and therefore reserves the right to breathalyze the students to prevent them from making any mistakes.*]
4. Bullying; physical, verbal, or cyber attacks;
5. To leave or to remain in the residence without following the procedures;
6. To leave campus without following the procedures (each student may only sign the entrance-exit register in his/her name, and cannot sign on behalf of any other student);
7. Rude and disrespectful attitude towards residential staff or other school staff;
8. Theft;
9. Dishonest behavior [*healthy communities are built on mutual trust and it is a serious offense to commit any verbal or physical act that betrays this trust*];
10. Discrimination;
11. Any behavior off campus that reflects a negative image of the school;
12. To bring friends to the residence without asking permission;
13. Intrusion on privacy;
14. Any other action that is mentioned in the Discipline Guidelines and in the school and residence rules;
15. Any other action that violates the laws.

Behavior that may result in disciplinary action by the Residence Head:

1. Not to abide by the rules stated in the handbook, and to behave disrespectfully;
2. Any type of commerce other than activities approved by the Dean of Student Affairs and for the benefit of a charity or the residential program;
3. In the case such behavior isn't corrected and is repeated, the Dean of Student Affairs will be notified. Consequences may include temporary or permanent expulsion from the residence.

WEEKDAY SCHEDULE

TIME	ACTIVITY
6:30-7:00	Wake-up call*
7:15-7:55	Breakfast
7:40	The residence is locked**
15:10	The residence is unlocked
15:10-19:45	Free time
17:30 -18:30	Dinner
*** 19:45-20:00	Check***
20:00-21:00	Study hall - compulsory for LP-L10 (Prep students study in the study hall under the supervision of a teacher)
21:00-22:00	Free time and snack service
22:00-23:00	The students may sit quietly in their rooms.
23:00	Bedtime; lights out.
23:00-24:00	11 and 12-grade students may study, after prior permission from the RA on duty.

* It is the responsibility of the students to wake up on time, as an act of self-discipline.

** L11 and L12 students with a free period p.1 may stay and rest in the residence without residential staff supervision, getting to class in time for the start of p.2. However, this does not apply to mornings when there are ceremonies, such as Monday flag ceremonies. Skipping any lesson will result in disciplinary action.

*** L11s and 12s who have parental permission may return by 9:00pm.

WEEKEND SCHEDULE

TIME	ACTIVITY
7:00	The gates are unlocked
7:45-10:00	Breakfast
12:00-13:00	Lunch
17:30-18:30	Dinner
* 19:45-20:00	Check
23:00-24:00	The students may sit quietly in their rooms or in the lounge
24:00	Bedtime for all

* 9th grade students who have parental permission may return by 9:00pm, 10th grade students by 10:00pm, and the 11th and 12th grade students by 11:00pm.

On Sunday, all Prep, 9th and 10th grade students must be back in the residence by 8:00pm. 11th and 12th students may return by 9:00 pm, at the condition of noting it on the exit form or notifying by phone.

HEALTH

It is mandatory for all residential students to take a private health insurance. If the student doesn't already have an insurance, you can consult the company Allianz during registration. In an emergency, the students are taken to Acibadem Maslak, American Hospital or LIV Hospital, with which the school has an agreement. The hospital expenses are paid by the school, then billed to the parent.

The Health Center

The Health Center is open 7/24, and a medical staff is on duty at all times. The Health Center is located in Sage Hall, on the ground floor of the Girls' Residence. A doctor is present every day from 7:30am-5:00pm from Monday thru Friday, as well as a paramedic and a nurse. Outside these hours and on weekends, a paramedic or a nurse is on duty. The Health Center is equipped for first aid and basic life support. Cases that necessitate advanced diagnosis and treatment are referred to adequate medical centers.

Informing the Health Center about the health condition of the students

It is crucial that all information about the students' health condition be fully stated on the forms during registration. During the year, any illness, surgery, or treatment by the student's doctor must be immediately communicated to the Health Center. Parents are asked for written permission for each medical intervention and inoculation in the year.

The height and the weight of the students are measured twice a year, at the beginning of the school year and of the second semester, to follow their general development.

Medical Observation in the Health Center

1. A residential student who spends the school day in the Health Center must wait until 3:10pm. At that time, the medical staff on duty will consult the doctor and decide whether the student can go back to the residence or must spend the night in the Health Center. Even if the student is well enough to leave the Health Center at 3:10pm, s/he cannot go off campus that day.
2. Only sick students may be kept under medical observation in the Health Center; students may not apply to the Health Center to sleep there.

3. When a student is kept in the Health Center for all day or the night, the residence staff and the parents are informed. If a student needs to go to the Health Center after 8:00pm (after check time), s/he must first inform the RA.
4. Students who have a contagious disease (mumps, smallpox, lice, etc.) must stay home with their parents or their Istanbul guardian until total recovery.

Medication:

All medications are kept in the Health Center, each residential student is allocated a personal box. Prescription drugs and medicine to be used in invasive procedures (injection, etc.) must be brought together with the doctor's prescription. Students shouldn't take any medication which isn't given by the school's doctor or nurse, or another authorized doctor. A student who returns with a new drug after spending the weekend at home, must take the drug and the prescription immediately to the Health Center. The Health Center gives a receipt form to the students for all drugs that are turned in. The residential staff check that the students don't keep tablets or syrups in the residence. Only external use creams or sprays (e.g. nose and throat sprays) are allowed, and, with the parents' knowledge and permission, students may take supplements like vitamins.

Hospitalization

When a student needs to be hospitalized:

- if it's not an emergency, the Istanbul guardian is called and asked to accompany the student to the hospital;
- in an emergency, a residential staff member or an administrator accompanies the student to the American Hospital, LIV Hospital or Acibadem Maslak Hospital, and the parent is notified.

Any expense paid by the school will be billed to the parents.

Illness off campus

A student who needs emergency treatment off campus must immediately inform the residence by phone. A residential staff member will go to the hospital, and when the Istanbul guardian arrives at the hospital, s/he will sign to confirm that s/he picked up the child. Students who need treatment off campus for non-emergency cases must first report to the school doctor.

SECURITY

The students are responsible for their belongings and money. Valuables must be locked up. A safe is available in each residence for items that need to be securely kept. Students shouldn't bring items of high value to the residence. Lost items must be immediately reported to the Residence Head.

Lockers: Each student is allocated a closet with a lock; they must keep their valuables and money in this closet. The school isn't responsible for any item that isn't locked away. Large sums of money must be given to the Residence Head to keep in the safe.

Electronic Access Control

Access cards are used for entrance to the residences and to the Co-Ed Lounge. Each student uses his/her own card. The doors are kept locked at all times for security reasons. If a student loses his/her card, s/he must immediately report to the residential staff and follow the procedures to cancel the old card and to issue a new one.

Safety

A number of evacuation drills are conducted in the school year. The drills are taken very seriously to prepare everyone for any emergency.

RESIDENTIAL ACTIVITIES

The aim of the residential activities program is to offer a chance to the students to attend athletic events, theater plays, concerts, and to participate in museum visits and other activities. It is a fact that Istanbul has an immensely rich cultural heritage, and the innumerable resources of the city contribute to the education of the students.

The program consists of both on and off campus activities. Dances, movie nights and gatherings take place in the school. Off-campus activities include museum visits, basketball games, UEFA cup and league games, jazz-rock-classical Western-traditional Turkish music concerts, theater, and dances. Teachers, staff members or RAs chaperone the activities. All activities are subject to Ministry of Education's approval ahead of time. The students' proposals are also taken into consideration. Students may not buy tickets independently for a RLA, without prior approval of the Dean of Student Activities.

The residential Prep students are required to participate in some activities. The 5-day residential students are also required occasionally to stay at the residence over the weekend in order to participate in activities together with the 7-day residential students. The purpose is to create an opportunity for them to socialize, and also to introduce them to available cultural activities. **7-day residential Prep students are required to participate in the weekend program** organized with the purpose of introducing them to Istanbul, presenting the possibilities for their free time, and fostering the community spirit. The program announced at the beginning of the semester may be altered due to weather conditions and other circumstances.

Murat Karamancı Student Center

During their free time, until 9.45pm on weekdays and 11.00pm on weekends, students can spend time in the Murat Karamancı Student Center where a second canteen is available for light snacks.

Sports

Residential students may use the campus fields in their free time: the track on the Plateau, four tennis courts, the fitness room, the dance studio, and the Bizim Tepe pool on set days in June and September. Before students may use the fitness room, parents must complete the Fitness Room Waiver Form 2017-2018.

RESIDENTIAL LIFE COUNCIL (RLC)

The purpose of RLC is to help develop the academic, social, cultural and everyday lives of the residential students. The RLC acts as a liaison between the students and the residential team.

The RLC consists of two girls and two boys from L9, L10, and L11 each. These students are elected by the residential student body at the beginning of the school year. In the second semester, 2 LP girls and 2 LP boys join the RL Council.

The members of the RLC elect two co-chairs (one boy and one girl) among themselves and they meet weekly. A faculty advisor also attends these meetings. Students may contact the RL Council via their representatives or by email: rlcouncil@robcol.k12.tr

ROOM ASSIGNMENT

The residential staff assign the rooms to the Prep students. When allocating the rooms to 9th to 12th grade students, the students' preferences are taken into account. The sizes of the rooms are different, with a capacity that varies between 2-6 people.

MEALS

7-day students: breakfast, lunch and dinner for 7 days.

5-day students: all meals starting with dinner on Sunday, including lunch on Friday.

In addition, snacks are served every evening in the residences.

Students may send their comments about the meals to the RL Council.

Snacks

Snacks are available at the Gould canteen and at the canteen in the Murat Karamancı Student Center, during the announced hours. A refrigerator is available on each floor of the residences for student use. Students may also order food from outside the school, within the limits of the residence rules.

MAIL

Students who want to mail letters may give them to the Residence Head, together with the postage fee. Letters and parcels sent to residential students must indicate the residence:

Name of the student
Girls'/Boys' Residence
Özel Amerikan Robert Lisesi
Kuruçeşme Cad. No. 87
34345 Arnavutköy - İstanbul

As the security personnel cannot make any payment upon delivery, parcels sent as cash-on-delivery cannot be accepted, and will be returned to the sender.

LAUNDRY

Washing machines, dryers, irons and ironing boards are available in both residences for student use.

AUTOMATIC TELLER MACHINES

Akbank, Yapı Kredi Bank and Garanti Bank have an ATM on campus.

PETS

Students may not keep nor feed pets/animals on any part of the campus.

V. MISCELLANEOUS

TRANSPORTATION

- City bus: Several lines operate between the Arnavutköy gate and Taksim, Eminönü and Sarıyer.
- Taxi: Students may call taxis to the school. Below are the phone numbers of the nearby stands:
Öz Turizm: 269 90 99 Çavuşoğlu: 352 47 06
Boğaziçi: 265 65 05 İskele: 265 94 33 Park: 287 61 56
- Underground (Metro): the nearest station is opposite Akmerkez, about 15-minute walk.
- Bus service to Atatürk and Sabiha Gökçen Airports: On the eve of long vacations when the residences are closed, a bus can be arranged to take the students to the airport. The students need to sign up in advance and pay the fee. Parents who allow their children to use this service should know that there is no chaperone on the bus.

ISTANBUL GUARDIANS

Each residential student must have one or two Istanbul guardians. This person must know the student closely and host him/her at home when needed. When

necessary, for example when the student has to be taken to the hospital, the school will call the Istanbul guardian.

Istanbul guardians must submit the following documents to the RC security unit:

- Application form to get the Istanbul guardian ID card
- 1 photo
- The photocopy of the ID card (nüfus)

The cards can be picked up from the Bridge within a week after application.

RESIDENTIAL FEES

The residential fees aren't reimbursed under any circumstances. A student who pays the residence fees is allocated space in the residence for the entire year. If the student is expelled from the residence for discipline issues, the fee will not be reimbursed.

STORAGE IN SUMMER

The rooms must be vacated at the end of the second semester; there may be maintenance work during the summer. There is a small storage area in each residence, where the students can leave their belongings, but the school isn't responsible for any loss or damage. Any item left in the residence at the end of the school year will be donated to charities.

Upon return from vacation, students may not bring their belongings before the residences open. Students must plan for any shipment to be delivered on the opening day of the residence, and must receive it personally.

ROBERT COLLEGE RESIDENTIAL STAFF

Margaret Halıcıođlu: Her 26th year at RC. British citizen. BA in music from the University of Reading, and master degree in education from the Oxford Brookes University. Dean of Student Affairs, and music teacher. Director of the residential program for 12 years.
